

## Portable Curriculum Course Lists: 2023-2024

Foster a love of learning and set students on the pathway to lifelong success with an online curriculum designed to help them realize their potential. More than 2,000 schools and districts have chosen Stride Learning Solutions to help them tailor solutions for a variety of learning environments. Our team can help you identify your district's virtual learning readiness and create a plan to meet your goals and objectives.

Stride Learning Solutions curriculum allows you to meet each student at his or her point of need—from those who are struggling or at risk of dropping out or not graduating on time to those seeking greater academic challenges or enrichment in their learning.

Give us a call at **844.638.3533** to discuss your district's specific needs.

### PORTABLE CURRICULUM

This course list reflects the courses available from Stride Learning Solutions for the 2023–2024 school year. Elementary courses are compatible with Canvas and Schoology® learning management systems. Most middle and high school courses are compatible with Canvas, Schoology®, and Blackboard®, except for existing world language courses, which are compatible with Blackboard®, Brightspace, and Canvas learning management systems. Visit our [Portable Catalog](#) and filter by platform to find courses available on your LMS.

# Elementary School Course List
