[High School Course List](#)

### NEW! DIGITAL COURSE CATALOGS

Our new digital **elementary**, **middle school**, and **high school** course catalogs include details about each course, including materials required, digital-first options, and more!

### NEW! PRINTABLE COURSE CATALOG

For a printable catalog with descriptions of all K–12 courses, visit our Learning Solutions for Print page and select “Print” in the upper right-hand corner.

Foster a love of learning and set students on the pathway to lifelong success with an online curriculum designed to help them realize their potential. Our suite of more than 350 digital courses covers a full spectrum of core subjects and electives, all supported by cutting-edge online technology and brought to life by extraordinary educators. Stride Learning Solutions digital courses combine rich content with proven pedagogy to facilitate dynamic, engaging online and blended learning experiences to meet your district or school’s unique needs.

Our expansive course catalog for grades K–12 allows you to meet every learner’s needs—from those who are struggling or at risk of dropping out or not graduating on time to those seeking greater academic challenges or enrichment in their learning. Whether your students are looking to launch a career right after graduation or pursue postsecondary studies, our digital curriculum will provide them with more options to jumpstart their futures today. Give us a call at 844.638.3533 to discuss how together we can pave the way to a bright future for all learners.

The courses included in this list reflect offerings for the 2023–2024 school year. However, district certification requirements, teacher availability, and other factors may impact instructional support availability. All high school and middle school courses are available on both the PEAK and TotalView platforms unless otherwise noted. Elementary courses are available on the TotalView platform only.

# Elementary School Course List

Please see our **Elementary School Digital Course Catalog** for details about each course, including course descriptions, materials required, portability, digital-first options, and more! Materials needed for each course can be found on **Materials Lists**.

**X** Courses marked are supplementary; all other courses are full year.

Course lists are subject to change.

Elementary courses are available on TotalView only.
